

System Restoration & Planning Service

Signature Page for Schedule 16 of the ISO New England OATT

The undersigned Generator Owner agrees to provide Black Start Service in accordance with Schedule 16 - System Restoration and Planning Service from Generators, of the ISO New England Open Access Transmission Tariff ("ISO OATT"). In accordance with Schedule 16, the agreement is for a minimum term of 3 years. Either ISO-NE or the Generator Owner must notify the other at least one year in advance of the term of the agreement, per Schedule 16, of their desire not to renew the agreement. If such notice is not provided in accordance with Schedule 16, then the agreement is automatically renewed for another term of equal duration (minimum term of 3 years).
